while ago Mrs Arnold and daughter  
+ husband Mr. and Mrs Ed. Randall  
who used to live in Clinton.

Tomorrow Grandma has planned  
to spend at May Aug. so think  
we will be some tired (!)

When you come down bring  
my travel bag mother gave me  
she wants to make it over.

Slept fairly well last night.  
was up about an hour but  
not as choked up as the two  
previous nights.

Grandma says not to come  
until Saturday night as she  
has other plans. if you need  
me or have word the Times are  
coming will come sooner  
otherwise I may as well stay  
until then.

How did you get home?  
Alright except the hour probably
